workshop levels

We have recently introduced a new system of tiers for our workshops. This is in order for members to clearly see what workshops would be best suited to them, with their level of experience and training. Unlike our Premium and Standard tags, this is not decided by us, but by the members. You can choose which tier best suits you, and choose when you move up a level, so you can develop your craft at your own pace.

It is entirely up to you what level of workshop you want to participate in, please find below a brief explanation of each level below to help you decide where you would place yourself:

ALL LEVELS

These workshops are suitable for all levels of experience.

INTRODUCTORY

Some basic training or understanding of the genre, but no professional experience. Also great as a refresher for those returning after a break.

INTERMEDIATE

Some professional experience of the genre, we recommend 1-2 professional credits or those with considerable training in this area.

ADVANCED

We recommend 4 professional credits of more in the specific genre and a firm understanding. Also, for those who would like to develop their craft in the company of those of a similar professional level.

Don't forget about all the offers included in your membership:

- 10% off at the Actors Centre bar
- Use of our John Thaw Initiative to showcase your work-in-progress shows
- Access to our ever-growing perks scheme
- Discount tickets to all shows at the Tristan Bates Theatre and in the John Thaw Studio
- Early-bird access to exclusive events including our OFF THE RECORD series, our annual CASTATHON and AGENTATHON

Please note that all information is correct at the time of going to print but may be subject to change. Our tutors are professional actors and creatives working in the industry and, like our members, their schedules are subject to change depending on work commitments. At times it may be necessary to postpone or cancel workshops, but we will always try to provide participants with a suitable alternative tutor.

For the most up-to-date information on dates, times, tutors and prices, please go to the Actors Centre website or call Reception on 020 3841 6600.
